Congratulations!

The puppy you are taking home is the product of careful and selective breeding. His future, physical, and intellectual growth depends for the most part on you. Below you will find some information and some helpful hints:

- Worming:** This puppy was wormed on _____, 20____, and again on _____.
Puppy should be rechecked in two (2) weeks by your veterinarian.
- Immunization:** Puppy shots were given on _____ 20____, and again on _____. Puppy should be rechecked in two weeks by your veterinarian.
- Feeding:** Until approximately the age of three or four months, your puppy should be feeding at least three times a day; twice daily until approximately one year will do from then on. We have been feeding QC+ Puppy Chow and recommend it as a complete balanced diet. If you are changing to another brand of food, we suggest that you do it in stages. We will supply you with enough food to assist you in the transition. Your veterinarian may suggest additional vitamins, and we recommend that you follow that advice.
- Guarantee:** This puppy is, to our knowledge, free of any inherited defects, and we will replace or refund your money if it is found to be otherwise. Proven medically accepted defects such as, but not limited to, hip dysplasia, elbow dysplasia, over or undershot bite, and known inherited eye problems shall require only a letter from your veterinarian. Should the dog have any problems of a questionable nature, we will replace or refund your money in whole or in part based on consultation with you and your veterinarian. We also guarantee this puppy to be in perfect health at the time of purchase. We will replace or refund your money if it has been examined by your veterinarian within 72 hours of purchase and has any problems.
This guarantee shall be in effect until your puppy's second birthday. If it must be used, we require that you return the registration papers along with proof that the dog has been neutered or spayed.
The seller and the buyer agree to accept the decision of a mutually acceptable arbitrator in any case where agreement cannot be reached concerning the guarantee.
